September 3, 2008

SAN DIEGO, Sept. 3 -- First Business Bank has opened a loan/deposit production office at 3142 Tiger Run Court, Suite 107, in Carlsbad, California (92010). This is First Business Bank's fourth office in San Diego County, with others open in Del Mar Heights, Ramona and La Mesa.

"This new location continues the expansion of First Business Bank in San Diego County," said Nathan Rogge, bank President. "The North County coastal area is home to thousands of professionals and small and medium-sized companies that can be best served by a local bank offering a portfolio of services tailored to meet their specialized banking needs. Rogge also announced that the bank has hired Sandy Apodaca as Vice President and Branch Manager of the Carlsbad office and Sheree Keller as Vice President and Business Banking Associate.
