### **BANK OF SOUTHERN CALIFORNIA OPENS NEW ATM AT RAMONA'S SAN DIEGO COUNTRY ESTATES**

SAN DIEGO, CA – [Bank of Southern California](#) (OTC Bulletin Board: FBBN) has announced an expansion of its nine-year commitment of service to the Ramona community with the opening of a new ATM at San Diego Country Estates.

Nathan Rogge, President and Chief Executive Officer, said, “Bank of Southern California began as Ramona National Bank almost a decade ago and we remain the only San Diego owned and managed bank in the area. We are building on our success by expanding in the San Diego region, and it makes sense that part of this growth includes increasing services to our long-time customers in Ramona.”

Bank of Southern California’s Ramona office is located at 1315 Main Street. Melissa Dowler, manager of the office, said, “We take pride in being a strong, safe and conservative community-based bank and our continued growth in Ramona shows that customers appreciate this approach,” said Dowler.

Established in 2001, Bank of Southern California is locally owned and managed and is committed to meeting the financial needs of small and medium-sized companies that make up Southern California’s vibrant business community. Seasoned bankers, with an average of over 20 years’ experience, work one-on-one with clients to understand their unique needs and then utilize a full range of business and personal banking services to develop customized banking solutions that contribute to the growth and success of their business. Bank of Southern California remains one of the strongest, best-capitalized banks in Southern California, with a growing asset base and loan portfolio.
